

	Does Not Meet Expectations D	Partially Meets Expectations C	Meets Expectations B	Exceeds Expectations A
Does the answer make sense?	Student does not show any understanding of historical background	I think, but am not sure, that I know what you mean	The answer makes sense	Brilliantly worded response. I should give up teaching, because in you I have reached the pinnacle of my career
Evaluating and using sources	Uses only one source	Uses two or more sources	Uses multiple sources and shows good understanding of the material	Excellent! So well researched and reasoned that I could use it as an example for future students
Citing Information	Sources are not cited properly	Follows recommended format for citation, although several errors are apparent	Sources are cited clearly and I can find the original text with ease	A model of citation perfection. Well done!
Quality of document	Less than three pages; many spelling and/or grammar mistakes; poorly constructed paragraphs	At least one of the following problems is present: spelling mistakes; grammar mistakes; lack of detail	A well-written three + page document with minimal spelling or grammar mistakes	Three or more pages of high quality analysis with absolutely no spelling or grammar problems
